Of these 1000+ sites you have multiple brands available, including: ALL Tesco, Morrisons & The Co-operative Food supermarkets, as well as selected BP, Shell, Texaco, Esso, Total and many more nationwide.

Account Management:

Cards can be placed on *stop* promptly, and we aim to have all replacement cards with you within seven working days. With *The Fuelcard People* you can benefit from a state of the art online management tool, which provides you with full control over your account at the touch of a button. The Fuelcard People is committed to meeting YOUR service expectations.

Savings from The Fuelcard People

Weekly Nationwide Pricing:

We monitor our fuel prices daily to ensure that we are always competitive with other fuel suppliers. UK Fuels is a bunkering network; we can purchase fuel from a range of suppliers to deliver into our extensive network of sites. This allows *The Fuelcard People* to negotiate the most competitive rates, which can be passed on to our valued customers.

VAT Recovery:

You can be prepared by issuing *The Fuelcard People* cards to your employees for purchasing fuel. In this way, you can avoid the risk of not being able to reclaim 20% of your fuel costs by becoming the direct purchaser of the fuel rather than your employee.

Security from The Fuelcard People

The cards offer excellent security features:

- Cards can be set up so they can be used to draw diesel only, restricting fraudulent use.
- PIN numbers are used at unmanned filling stations.
- Liability is with the card provider, two working days after notification in writing of the loss of the card.

*subject to credit status

**a small surcharge is applied at these sites

***some sites in remote areas may incur an additional surcharge
